When I saw your magazine, I looked through it and decided that I could do it. I took some photos and submitted them. When asked to do the shoot, my now-ex got cold feet. But I was still interested and when we split, I contacted you again.

FELICIA
& BRIAN

It doesn't take much for me to get turned on. When I get horny, my blood boils quickly and my skin flushes red. Then my brain takes over and I start looking for cock. It's the one thing that overheats me... and then cools me down.

all hail Hailey

I was scared and confused, what the hell was she doing? Hailey was teasing me and I didn't know what to do.

"Take your hands away and put them at your side," she said.

I was about to begin next week at my new job position. I had a whopper month for the firm and received a nice five thousand dollar bonus. Now I had a couple days off and wanted to spend it asap. I didn't take my wife long to spend it, and at home we had a new patio already being planned and the work schedule in.

As the builders moved in we managed to work around them, that was until the beginning of second week when the back porch was removed to allow for grading the ground and prepping for the posts. The noise from the equipment was constant, the grader, the pounder, large saws. Geesh! We had to get away, out of the house to keep our sanity. Fortunately, my neighbor a few house down, away from the noise, agreed to let us come in and use his shower, or just chill on the sofa until the workers went home.

It was late Tuesday afternoon and I was finally off work that day. I drove by my house and without even lowering my car's windows, I could hear the pounding continuing, so I dropped by the neighbor's house. As I rang the doorbell there was no answer and I swore quietly under my breath thinking everyone was out, but my anger turned quickly to relief as my neighbor's wife opened the door.

Hailey offered me a cold beer that I declined until after I had taken a shower. I dashed up the stairs and through my bag on her bed as I passed

her room heading for the bathroom. The feeling of the shower was wonderful after the long day and I rapidly set out to wash myself. When I turned the shower off I realized that I hadn't taken the towel out of my bag and even though there were the neighbor's hang there, I couldn't bring myself to use them. With the water dripping off me, I cautiously opened the bathroom door, and as the coast was clear, and I managed to make it to the bedroom.

As I stood there naked and wet struggling with the zipper on my bag, I never heard my Hailey coming up the stairs.

"Nice view." she said, causing me to jump.

I turned around covering my private parts with my hand as this was quite embarrassing. My face turned a lovely shade of pink.

"You haven't got anything I haven't seen before," she replied with a laugh.

"Yes, but not mine." I said. Would you mind letting me finish. Hailey stood there, looking me over as if I was used car she was inspecting.

She was about 37 years old, and to be honest the years had been very good to her. I had always eyed her at block parties and we had been over to their house many times over the three years or so that we've been neighbors.

"You like that, don't you Ethan. Would you like me to jack you off or would you prefer me to suck you off?" she asked.

"Excuse me Ethan, but I haven't seen one of them for a few months." she said looking down at my protected bits. "Ryan has been distant and working late as always. He left yesterday for a week in Dallas."

I grabbed my discarded shirt to cover myself even more but she moved towards me and held her hand out, "Give me your hand, Ethan." she seemed to demand.

I was scared and confused, what the hell was she doing? Hailey was teasing me and I didn't know what to do. "Take your hands away and put them at your side," she said and I ignored.

grip on my balls. I was immobilized and laying there naked by Hailey. Her other hand began caressing my cock, it felt nice but also it felt so wrong and the more she touched it harder it was getting, I couldn't control it.

"You like that, don't you Ethan. Would you like me to jack you off or would you prefer me to suck you off?" she asked.

"Neither Hailey, just let me go please. This is wrong." I pleaded, to no avail.

Her tongue made contact with the tip of my cock, then her lips engulfed it and began sucking and licking my now very stiff cock.

She managed to get one arm out from her blouse and then changed hands until she was able to remove it completely without once letting go of my balls. Beneath it she was naked, and her boobs bobbed out of their restraint.

Still holding my family jewels quite tight, she said, "Now Ethan, I'm going to slowly move my pussy down on you and

She took a step closer and I took a step back, my legs came in contact with the bed and I lost my balance and fell backwards. To catch myself, I dropped my hands down to the mattress, leaving me and my privates totally exposed.

Hailey saw the chance and pounced on me pinning me to the bed. I could've easily pushed her off but I was afraid of hurting her. With my arms again pinned to my side, Hailey moved her face close to mine. "Don't you dare move or I'll squeeze it so hard your eyeballs will pop out," she said as she moved one of her hands to grip my balls tight.

Then she released my arm but tightened her

you're going to let me fuck you, do you understand?" Of course I did, but what can you say to a determined woman who's got your sperm sac in a vise grip?

"Hailey, please don't do this, this is wrong, just plain wrong!" but my protests were disingenuous and weak by now. I couldn't stop her doing whatever she wanted and she had no intention of stopping as she moved her pussy above my erect cock and then lowered it down so that my cock sunk into her wet pussy.

I experienced a sensation of extreme pleasure mixed with extreme guilt that she was fucking me. Each time she thrust back down onto my cock, my eyes were transfixed watching the

undulations of her beautiful boobs. Slowly but surely the rhythm of her movements was bringing me closer and closer to release. I wanted to but not like this, not with Hailey.

"I bet you fantasized about fucking me when we were at those block parties, huh?" she teased as she continued bouncing up and down on my cock. She leaned forward so that her boobs touched my chest. They felt warm against my skin, my mind was in total confusion while my cock independently responded to her body.

"Come on, Ethan, tell me how much you like me fucking you. Tell me to make you cum... let me feel you explode inside me. Let me feel your cum inside in my pussy," she said as if she was a possessed person. She bit down on my nipple causing me to let out a yelp. Tell me how much you're enjoying it," she said once more.

"I like it, I like you fucking me, fuck me dry, I love you fucking me. I love your pussy clamped around my cock." My own words were bringing me closer to orgasm, "I'm going to cum, I'm cumming, I'm going to fill your pussy." The final words sent me over the edge, as my orgasm started in my balls, along my cock and ended up exploding in my brain like jolts of electricity. As my juice spread into her pussy, she also came, each spasm of her body causing her pussy to clamp tight around my fading cock.

She collapsed on my body slumping forward and brought her lips to mine and began kissing me passionately, our tongues intertwined like lovers, instead of what we were, neighbors. The kissing and the pressure of her pussy against my cock had begun to quickly revive me.

"I think you should fuck me now! Get yourself between my legs and fuck me," she said as if it was the most natural thing in the world.

I don't know why but I was eager to satisfy her needs so I rolled over and sucked her nipples one after the other. I kissed down her body until I reached her pussy. I couldn't believe that I was staring straight into her bald love nest. My tongue painted patterns around her pussy lips before delving further in and finding her clito-

ris. She writhed beneath me, her body bucking instantly as I licked and sucked her.

"What are you waiting for. That feels nice licking me but I want your cock inside me NOW!, I need your cock inside me NOW! I want to be fucked NOW!" she said in all caps!

I moved my body up and ran my cock along her slit. She thrust upwards and my cock slid easily into her soaked pussy. I was riding her and I didn't care. Each thrust I made into her pussy caused louder and louder groans to escape her mouth.

Suddenly, she started screaming, "I'm cumming... fuck me harder... make me cum... oh my God!" she bellowed as her groans blasted through her body, I came shortly after and as my seed splattered into her pussy... and she came once more.

I'm now laying on top of Hailey, our breathing slowly coming back to normal, our sweaty bodies seemingly stuck together. After a few minutes, a loud unsucking noise permeated the room as I finally got off her.

"Well Ethan, that was very nice, I want you to know that anytime you want a fuck, just come and see me. Fuck me anytime you want."

I left the house, my feelings about what had happened were confused, I had just had sex with my neighbor and I didn't feel guilty at all, if anything I was eager to do it again.

... my cock ended up exploding and in my brain like jolts of electricity. As my juice spread into her pussy, she also came...

It's my new man's birthday and I've invited him over for a bite – of me. I'm warming up the kitchen with my ass now because it will be there later. I'm sure Joe is going to like eating in and then having me for dessert.

**JANET
& JOE**

When he came over, I was nervous because we've only been seeing each other for a few months. I divorced five years ago when I was 37 and I haven't found too many men that I've wanted to date, let alone sleep with. But Joe is kind, considerate, and has a nice, big thick cock. I hear him at the door, now. Cum on in Joe. Dinner is me.

KIKI & ALESSANDRA

We've been lovers for the last six months, but have never been in a video together. When we got this call to shoot together, we jumped at the chance. For us, it was just another sexy afternoon doing what we like to do. It took a few minutes for us to get used to the camera, but after we did, it was on! Hope you'll like what goes down.

Before the cameras started rolling, we began to lick each other's pussies. There were several men around the room, the photographer, his assistant, the house owner, and more, and that proved to be a bigger turn on for us. We had never eaten out a woman in front of men before. Now we get to show them what we can do. Maybe one or two will join us later, but only after we women finish up on each other. Bring that pussy here.
